The information required for determining the qualifications for providing the District with such services shall be developed by the General Manager.

§ 6.02.04 AWARD OF CONTRACT:

Instead of a RFP or RFQ, if the General Manager determines that a RFQ or RFP would not be in the best interests of the District, the General Manager may recommend a sole source Professional Services contract to the Board. In its discretion, the Board may award the contract to the person or firm recommended by the General Manager or, if applicable, another proposer, reject all proposals and re-solicit proposals, reject all proposals, and not proceed with the contract, or reject all proposals and direct that the General Manager solicit and negotiate a contract with a specific person or firm.
